TEAM HARMONY

**GSCHB SOCIETY ELECTION
18 FEBRUARY 2024**

HARMONY BREEDS POSITIVE WORK ENVIRONMENT

Team Harmony is a cohesive team, in which every individual brings a unique skill set to the table, making it strong and more capable. The synergy of combined efforts propels them forward, to understand roles in working towards a shared goal. It is 'We' not 'Me' – to carry forward the harmony we have felt in community in past years. It is a synchronized unit where members co-operate and surge forward to work for the community of which they are a part.

TEAM HARMONY

GSCHB SOCIETY ELECTION - 18 FEBRUARY 2024

MANIFESTO:

- All development in a colony/community works on the principle that everyone should take equal responsibility and participate in activities that lead to enhancing the quality of life.
The team shall work along with VVWA and SNRA to overcome the challenges that face the colonies.
- Will ensure seamless coordination with local police authorities and civic bodies to tackle the menace of stray cattle, vendors, encroachments, garbage dhalaos, traffic, safety and security etc. in co-operation with VVWA and SNRA.
- Will prioritize the safety and security of the community by creating a safe environment, through necessary steps in cooperation with VVWA & SNRA.
- The newly started Aravali Cultural Centre has taken off with encouraging results. Efforts will be made to enhance the level of cultural activities to make this space into an envisioned platform for art, culture, and more at its best both for audience and artists, from within the community and outside.
- The Vasant Vihar Club facilities are an essential aspect of our community. It provides space for our members to socialize and participate in a range of activities.

Team will take all necessary steps to upgrade the physical space, equipment and amenities to improve the overall experience for our members and visitors.

The goal will be to make the club a more enjoyable and functional space that meets the needs and preferences of the club's members and their guests.

- Community Recreation Centre, Shanti Niketan is an on going project. The team will make best efforts to speed up the completion of this vital space and make it class facility for members of the Soceity/Community.
- All efforts will be made to draw up plans, tactics, and strategies to make the club a self-sustaining institution with growth.
- Succession planning: Taking a holistic view of current and future goals, preparation for succession planning ensures that you have the right people for the right job in years to come.

Fresh talented people from the community, who are eligible to contest, will be coopted to make them future-ready to take over the organisation.

“Talent Wins games, whereas Teamwork and Intelligence Win Championships”
